PROFESSIONAL SUMMARY

MCA student specializing in Java backend development with hands-on experience in Spring Boot, REST APIs, JWT authentication, MySQL, and React. Built full-stack applications including a marketplace platform with real-time chat and location-based features.

EDUCATION

Master of Computer Applications (MCA) | 2024 – Present

Teerthanker Mahaveer University, Moradabad

Bachelor of Science (B.Sc.) | 2019 – 2022

Mahatma Jyotiba Phule Rohilkhand University, Bareilly

TECHNICAL SKILLS

- **Programming:** Java, JavaScript
 - **Backend:** Spring Boot, Spring Data JPA, REST APIs, WebSocket, JDBC
 - **Frontend:** React.js, HTML, CSS
 - **Databases:** MySQL, MongoDB
 - **Core Concepts:** OOP, Data Structures & Algorithms
 - **Tools:** Git, GitHub, Postman, IntelliJ IDEA
-

INTERNSHIP EXPERIENCE

Java Development Intern | InternPe (Dec 2024 – Jan 2025)

- Developed Java-based applications using Core Java and OOP principles
- Applied Data Structures & Algorithms to optimize performance
- Worked with MySQL for efficient data storage and retrieval

Java Development Intern | Elevate Labs (Jun 2025 – Aug 2025)

- Implemented backend logic using Java and database concepts
 - Debugged and optimized existing code to improve application reliability
 - Gained experience working in a structured development environment
-

PROJECTS

1. Barter – Marketplace Platform

- Spring Boot, Java, MySQL, JWT, REST APIs, React.js
- Built a marketplace platform enabling users to buy, sell, and exchange products securely
- Implemented JWT-based authentication and role-based authorization for secure user access
- Developed 15+ REST APIs for user management, product listings, and transactions
- Integrated location-based search and real-time chat functionality for seamless user interaction

2. EduDarshi – International Education Platform

- MongoDB, Express.js, React.js, Node.js
 - Developed a full-stack web platform for an international education group
 - Designed responsive UI supporting desktop and mobile devices.
 - Live Project: <https://edudarshi.vercel.app/>
-

ACHIEVEMENTS

- Developed full-stack applications using Java, Spring Boot, React.js, and MySQL
- Solved 150+ DSA problems across LeetCode and GeeksforGeeks
